

NZ Security Contractors Wanted

Seeking Qualified Specialists in Security and Surveillance Services

New Zealand SH Security is currently looking for skilled security contractors (companies and sole traders) in the following specialist fields:

- **Personal Protection (including Close Protection Services)**
- **Event Security**
- **Retail Loss Prevention**
- **Nightclub and bars**

We are also seeking contractors with expertise and relevant New Zealand qualifications and licences in:

- **CCTV Installation**
- **Investigation Services**

Key Requirements:

- Relevant experience in your specialist field
- Current New Zealand qualifications and certifications
- A valid New Zealand licence appropriate for your specialist field

We are looking for professionals whose level of service aligns with our **mission, vision, and core values.**

About Us: At New Zealand SH Security, our mission is to provide reliable, affordable, and effective security solutions, ensuring the safety of businesses and communities across Hamilton and the greater Waikato area. We aim to build trust through **integrity, responsiveness,** and a commitment to **creating secure environments.**

Core Values:

- **Integrity:** Upholding honesty and ethical conduct in all actions
- **Reliability:** Providing dependable security solutions every time
- **Professionalism:** Ensuring competence and respect in every situation

NZSH Security Job Vacancy Posted - 22/09/2024

Company NZBN: 9429050249572

NZ Security Company Licence Number: 22-093334

- **Customer Focus:** Tailoring services to meet client needs
- **Accountability:** Taking responsibility for delivering on promises
- **Collaboration:** Partnering with clients, law enforcement, and communities
- **Continuous Improvement:** Innovating to enhance security solutions

If your level of service and expertise aligns with our goals and values, we invite you to **apply in writing** to:

Shaun Hyland

Owner-Operator, New Zealand SH Security
