

Training & Development Specialists NZ Subcontractors Wanted

NZ SH Security is seeking **New Zealand-based Training & Development Specialists sub-contractors**—whether you are a company or a sole trader—to help us train and develop high-caliber security personnel. We are looking for specialists in a range of areas to deliver expert training that ensures our team is equipped to meet the evolving demands of modern security.

We are interested in sub-contractors with expertise in the following areas:

- **First Aid Training**
- **Close Protection** (Personal Security Detail)
- **De-escalation Techniques**
- **Mental Health Awareness** for Security Professionals
- **Retail Security** (Loss Prevention, Theft Prevention)
- **CCTV Operations** and Surveillance
- **NZ Certified Trainers**

About NZ SH Security:

We are a **newly developing security business** dedicated to delivering high-quality security solutions across New Zealand. As a growing company, we are focused on building a team of highly trained professionals through expert-led training programs. Our mission is to establish ourselves as a trusted provider in the industry by investing in cutting-edge skills and empowering our personnel to meet the evolving security needs of our clients.

Join us as we grow and make a lasting impact on the future of security in New Zealand!

Why Sub-contract with Us?

- Competitive Pay Rates
- Flexible Work Schedules
- Opportunities to Grow and Expand Your Business
- Make a Lasting Impact on the Security Industry

Requirements:

- Must hold relevant **New Zealand licenses** or **NZ-recognised qualifications** in your field of expertise
- Proven experience and expertise in your specialised area
- Certification for accredited trainers
- Passion for training and knowledge sharing
