

Job Vacancy: Security Coordinator / Manager (Casual Contract)

Are you looking for an opportunity to take your security career to the next level? New Zealand SH Security is a new and growing security company in Hamilton Waikato, and we are looking for a driven and experienced **Security Coordinator or Manager** to assist in setting up and growing our business.

This is a **casual contract** position, which would suit someone currently working full-time or part-time in the security industry or related field - who is eager to advance their career and take on more responsibility.

This role will initially be on an **hourly rate** basis, with the potential to transition into a **full-time salaried position** as the company expands.

Key Responsibilities could include:

- Assist in setting up security operations, including contracts, logistics, and team management
- Coordinate day-to-day security services, including staffing, scheduling, and client communication
- Work with leadership to develop and implement security procedures and policies
- Manage client relationships and ensure customer satisfaction
- Support business development initiatives, including client proposals and presentations
- Oversee compliance with industry regulations and health and safety standards

Requirements:

- Proven experience in the security industry, with a focus on leadership or coordination roles. However, those with a policing or military background will be considered and should apply if interested.
- Strong organisational and communication skills
- Ability to manage multiple tasks and priorities effectively
- Experience in client relations and business development is an advantage
- Ability to work independently and take initiative
- Flexibility to work casually while assisting in business setup and growth
- must hold a valid **Certificate of Approval (COA)** issued by the **Private Security Personnel Licensing Authority (PSPLA)**
- **"Applicants must have the legal right to work in New Zealand. We are unable to provide visa sponsorship for this position."**
